BIOGRAPHY

THE PARTY BAND – MAN (SOLOIST)

Essentially **THE PARTY BAND - MAN** is Brian Lord and his trusty "band-in-a-box" performing as a solo entertainer/vocalist/guitarist. (Ohh... and don't forget his trademark – the red and black hat!)

THE PARTY BAND - MAN as Brian prefers to be called plays Classic Hits Cover Songs from the 1960's (even some 1940's and 50's) through to the Monster hits off the radio of today - and he sounds just like he is there with a “Full Band” or “Orchestra” backing him.

All genres of Classic Hits Covers songs are performed with a “Full Band” sound.

Anything from a handful of the all time classic "Frank Sinatra/Harry Connick Jnr./Michael Bublè" styles of Jazz songs through Easy Listening and Middle-of-the-Road, a couple of Classic Country and Western, 50's and 60's Rock'n'Roll, Chart Topping Classic Rock Hits, Modern Country Rock Hits to even a few Rap, Heavy Rock and Metal Classic Hits of the past and today.

But the thing that sets **THE PARTY BAND – MAN** apart from the rest is summarised in just two words...

Great Entertainment!

Brian is well known for getting everyone involved and creating a good time for all in attendance.

“Unfortunately you can't please everyone all the time,” reflects Brian, “But, I certainly try to – and most of the time, going by the feedback I get from people who attend, I am able to accomplish this.” Certainly no mean feat.

When asked about the name of his act Brian answered, “We started out as “The Brian Lord Band” back in 1992 but I always felt that I needed a name that described exactly what my act does – or aims to do. That is to create a party and party atmosphere where everyone can enjoy themselves. So after nearly two and a half years and over 250 or more fair-dinkum band name ideas from family and friends it finally struck me one day out of the blue...“**THE PARTY BAND**”... So simple and yet exactly describing what may act is all about! So in 2000 we made the gradual change to the new identity.”
