To Whom It May Concern:

Dear Sir/Madame,

I would like to tell you about Brian Lord - Entertainer.

We booked his band (Solo) for the Bunnaloo Rice Ball in June of this year.

He has a unique talent as an entertainer that is unequalled in these parts and might I say I am yet to see someone from the city as good and as **versatile**.

On the night he played for us he was excellent. His **music was great** and he had the dance floor packed all night – that's a sign of a great band / entertainer. His band was value for money and he was friendly and easy to get along with too – a pleasure to do business with.

Many of the guests at our function spoke very highly of Brian and we've since passed on his details to quite a few of them.

Thank you for the opportunity to let you know about Brian and I would be more than happy to speak with you further about this talented and versatile entertainer.

Best Wishes,

Karen Buchanan
