

"HERE FOR A GOOD TIME NOT A LONG TIME !!!" BIOGRAPHY

ANNALEA MITCHELL

"Strikingly beautiful and boy, can she sing and entertain!" is one of the many compliments bestowed regularly upon Annalea Mitchell, the duo and trio member of "The Party Band".

A resident of the Echuca area in Northern Victoria, Annalea brings a wealth of talent and a fresh and professional approach to "Entertaining" with "The Party Band". "If you want a successful and memorable party - we'll supply it!" guarantees Annalea.

Annalea is right at home on stage with her naturally charming personality, magic vocal abilities and confident overall presentation. "I absolutely love performing with "The Party Band" Duo / Trio - it gives me such a buzz," states Annalea.

Having performed with different acts Victoria wide and covering many different styles of music, you'll be hard pushed to find a better all-round vocalist / entertainer - ANYWHERE!

BRIAN LORD

The founding member of "The Party Band" Brian Lord is the one member who'll always be there. Established as a dynamic, entertaining and professional performer Australia wide, Brian has been the Lead Singer / Rhythm Guitarist of various successful covers bands over the last 20 years. He also maintains a blossoming career as a successful songwriter.

Brian's latest music project "The Party Band" started out as "B.J. & the Fatties" Duo in mid 1989 changing its name to "The Brian Lord Band" and "The Brian Lord Party Band" during the mid 1990's before finally settling on it's current identity in late 1999.

"The name changes came about through my desire to find a name that said it all about what we do," stated Brian, "finally it came one day after racking our brains for the previous two or so years. It's so simple - yet it says it all. A good-time party is what we'll deliver!"

BETHANY WAKEFIELD

Bethany Wakefield is the newest member to compliment the "The Party Band" Duo / Trio. Hailing from Tongala in North Central Victoria, Bethany offers a bright personality and appeal that sets her apart from the usual vocalist / entertainers.

After several years of fronting various cover bands Bethany "Wows" the punters with her style and grace. Be it a raunchy dance tune or a mellow ballad Bethany handles it all with a gusto and an enthusiasm not found in many performers these days.

"The quality of her voice is mesmerising", was one comment passed and you will usually see people sit back in their chairs and listen intently, hanging on to her every note.

But wait, it gets better - Bethany, Annalea and Brian together are UNMATCHED!
